VOL. XVII NO. 2 TYLER, TEXAS, TYLER JUNOR COLLEGE, THURSDAY, OCT 8, 1953 4 PAGES

Student Makes $400 Contribution To BSU Construction Fund

A TJC student, who prefers to remain anonymous, presented Leo S. Rudd, instructor in Bible, with a $400 donation toward the $25,000 Baptist Student Union building fund. Other than learning the anonymous honor is enrolled for the second-year and is an active worker in the Bible Chair, no further information is available.

Erection of the new BSU student building has been delayed because of insufficient funds. A $10,000 balance is still to be raised through individual gifts and church budgets, Mr. Rudd said.

The building will stand on the site where the present one is. Red brick will be used to harmonize with other buildings on the main campus.

A lounge, library, offices, and classrooms will occupy the first floor (street ground level). The basement (ground level on the back and open onto a terrace) will house the space for recreation, kitchen, stage, and prayer rooms.

The structure, planned to meet the needs of the expanding Department of Theology, was to be ready for the fall semester.

During the four years of existence of the Bible Chair, students from thirteen denominations, as well as non-affiliated students have enrolled, the release from Mr. Rudd showed.

Denominations represented by past student enrollment in the Bible Chair are Baptist, Catholic, Lutheran, Episcopal, Methodist, Church of Christ, Christian, Assembly of God, Nazarene, Church of God, Presbyterian, Church of God in Christ, and Salvation Army.

Saunders Picks Cast For "Gramercy Ghost"

"Gramercy Ghost", a two-act comedy by John Cecil Holm, will be presented by the Las Mascaras Club during the last week in October or the first week of November.

Cast for the play includes Nancy Willard —Jet Droby; Augusta Ames—Joyce Perry; Parker Burnett—Gene Dodd; Charley Stewart —James Bass; Margaret Collins—Maurine Garner; Nathaniel Coombes—James B. Thomas; Officer Morrison—Carlton Godfrey; Irv—Jack Barron; Rocky—Rodney Kamel; ambulance driver—Christine Korkmas; assistant driver—Margaret Noe.

Stage manager for the production is Rodney Kamel.

Numerous Scholarships Available To Students

A number of scholarships in the form of awards, full scholarships, and loans are made available to TJC students by Tyler organizations and individuals.

The Young Men's Bible Class of the First Baptist Church awards an annual scholarship to a meritorious Baptist student.

The Tyler Branch of American Association of University Women provides a workship of $100 a year to a deserving young woman who is a graduate of any high school in Smith county and who pursues her studies at TJC.

The Criterion Club awards a scholarship for a worthy student, following the recommendation of a faculty committee and the approval of the club.

The Coterie Club, composed of musicians and music lovers, has established a scholarship covering the cost of individual lessons, which will be awarded annually to a student who shows outstanding talent in music.

The Junior Daughters of the American Revolution awards a scholarship each year to a promising young woman.

Mr. and Mrs. Wilton Fair have established an endowment fund which will be used each year for scholarships and similar purposes. The endowment consists of the revenue from certain oil properties deeded to the college by Mr. and Mrs. Fair. The couple established the fund in 1952. Proceeds were made available in 1953, and are available for 1953-54.

The En Avant Club, a group of civic-minded young ladies, provides a scholarship annually to some young woman through its loan fund.

A prize of $100 is awarded annually by F. G. Swanson, former representative, in an essay contest concerning a subject in the field of government.

The Federated Clubs of the Third District award a $100 scholarship each year to a sophomore majoring in social science. This is open to either men or women students who show evidence of good citizenship. The scholarship is in honor of Mrs. Sam Greer of Tyler. It is called the Laura Greer Scholarship.

Dr. Edgar H. Vaughn established a student loan fund. This is awarded annually to a student approved by the faculty scholarship committee. It is in the form of a loan free of interest until graduation.

The Henry King Kiwanis scholarship goes to two young men of Smith County annually. It is in the form of a scholarship of up to 150 dollars.

Proceeds of the Rusk High School Band Clinic Concert are awarded to a deserving member of the Rusk High Band in the form of a scholarship to TJC.

Applications for these loans or scholarships should be made through the office of the registrar.

Roland Head Is '54 Apache Editor

Roland Head, daughter of Mr. and Mrs. S. A. Head, Route 1, has been named editor of the 1954 Apache yearbook, announced Miss Mildred Howell, sponser.

Frances Hart, daughter of Mr. and Mrs. Frank Hart, 441 Saunders, was chosen business manager for the yearbook, said Miss Howell.

Both are graduates of Tyler High School. Miss Head was art editor of the high school Alcalde and was a member of the Apache Staff last year. Miss Head is a member of the Apache Belles, Sans Souci Sorority, Las Mascaras, Pow Wow Staff, and Atta Kula Kula. In high school she was a member of the Blue Brigade and Tri Hi Y.

Miss Hart was a member of the high school Alealde staff, and the high school band. She is a member of the Apache Band and the TJC Choir.

Other officers are to be chosen this week from 30 students who have expressed a desire to be on the staff, said Miss Howell.

The theme of the yearbook is based on Tyler roses. The dedication has not been selected.

Career Day Set March 5

Plans to roll out the red velvet carpet at TJC for more than 1000 high school seniors and their sponsors at the third annual Career Conference Day, Friday, March 5, have already begun. Invitations have been extended to 28 East Texas schools, President H. E. Jenkins announced today.

Invitations have been sent to all high schools in the TJC area. The schools are:

Lindale, Tyler, Palestine, Arp, Hawkins, Winona, Mineola, Jacksonville, Chandler, Whitehouse, Big Sandy, Chapel Hill, Troup, Rusk, New Summerfield, Frankston, Alba, Emory, Bullard, Quitman, Winnsboro, Grand Saline, Canton, Van, Gaston, Martins Mills, Dialville, and Golden.

Senior Career Day, now familiar on almost every college and university calendar in Texas, is designed to assist graduating seniors in choosing their vocations. Expert counseling by outstanding business and professional men is planned for each sectional meeting. Students will not only sit in on meetings of their vocational choice, but they will also have an opportunity to receive personal counseling.

A chicken dinner, picnic style in the gym, will again be served as courtesy of friends and alumni of TJC to all seniors, sponsors, counselors, TJC students, and other guests.

"College Capers," a fun and variety show to be presented by the Apache Belles, the band, and the department of speech will furnish a colorful hour of entertainment in the afternoon, Dr. Jenkins promised. Smaller entertainment features, including coffees and special programs, will be worked out later, he said.

Students In TJC Area Served By 12 Vehicles

TJC operates twelve vehicles for the accommodation of junior college students in the TJC area, carrying an average of 150 persons daily.

For a minimum fee of $3.00 per month the student may ride the buses to and from the college. Students living in the Tyler Junior College district or having scholarships, are permitted to ride free.

The college uses different size buses to fit the needs of each route. In operation this year are three sixteen passenger vehicles, four thirty-two passenger, one fourteen passenger, two eight passenger, and two six passenger buses, an increase of four routes over last year.

As a further service to those within the bus service area Dr. Wiley W. Jenkins, director of bus service, has announced that buses will run each Saturday night for the convenience of the students and their parents in attending TJC football games.

Apache Band, Belles To Perform At State Fair Variety Show In Dallas

Performing with the renowned Gordon McRae, the colorful Apache band and Belles are scheduled to highlight the State Fair Variety Show in the Cotton Bowl in Dallas, Oct. 20.

Representing nearly all towns surrounding Tyler and several outside of the East Texas area, the TJC Band has the distinction of being the largest in the history of the school.

Towns represented by band members are:

Arp, Beckville, Brownsboro, Canton, Carlisle, Chapel Hill, Frankston, Gaston, Grand Saline, Hawkins, Hearne, Henderson, Jacksonville, Lindale, Mineola, McKinney, Palestine, Pittsburg, Rusk, Troup, Van, Waco, Winnsboro, and Tyler.

Leader of the band is Sue Ann Nelson of Hawkins, a sophomore, and leader of last year's Apache Band.

Band majorettes are Velda Williamson, Tatum, and Jet Droby, Palestine. Both are freshmen at TJC. Delphine Gibson, Greggton, Beverly Birkel and Mary Ann Ward, Tyler, are majorettes of the Apache Belles.

Heading the Apache Band officers are Larry Alexander of Tyler, president, Dick McCarty of Tyler, vice-president, and Patty Mathews of Rusk, secretary. All officers are sophomores and members of last year's band.

Many of the band students are going on band scholarships, covering a large part of their tuition.

Las Mascaras Members Meet Tomorrow, 10:16

"All members of Las Mascaras are urged to be present at the Friday, 10:16 meeting," said Mrs. Eva Saunders, instructor of drama. A technical staff will be chosen for the 2-act comedy "Gramercy Ghost."

"We have chosen a clever play and we have an excellent cast. Now we need an efficient technical staff," said Mrs. Saunders.

Night rehearsals have been in progress for more than a week, Mrs. Saunders said. No date has been set for the production.

71 Veterans Enroll; HoldGoodStanding

Veteran enrollment for this year has jumped to 71, with registration figures listing 70 Korean veterans and one WW II veteran. Fifty-four veterans are carrying the maximum load in day classes.

Day college veterans listing their home address as Tyler pursuing academic training are:

Business administration: Richard E. Clouse, Charles A. Denson, Gerald Hoddenback, Billy Holbert, James L. Lawrence, James B. McDowra, Billy Stuckey, Donald Turman. Engineering: Elmer Lee Bailey, Billie Joe Campbell, Paul J. Conway, Jack M. Fulton, Harold Ray Larison, Ronald Richards, George Sparkman, Richard Westerman.

Also Richard E. Allen, predental; Billy James Boring and Ernest Reece, pre-law; David Gyure and Thomas Pledger, geology; Billy Joe Staples, Johnny Goodwin, and Charles Alexander, academic; Lamar Lewis, journalism; Bobby McGill, music; Johnny Peters, T. B. nursing course.

Out of town academic day students are:

Business administration majors: Royce E. Bullard, Ben Wheeler; Leonard A. Hayes, Bullard; Charles R. Eason, Mineola; James E. Parker, Arp.

Industrial arts: Hurley Ray Ammons, Ben Wheeler.

Physical education: Bryan E. Miller, Dallas; James Wayne Ray, Rusk.

Metal Trades students are Gordon John Atkins, Franklin Boney, William Caldwell, Emmett O. Hathcox, Homer E. New, George D. Sides, all of Tyler. Out-of-town Metal Trades students are Thomas J. Stripling and Billy E. Click, Bullard; Thurman Long, Lindale.

Industrial Education students are Billy Ray Cullen, Robert Odell Dossett, Billy Don Hemphill, Charles Wilson Horton, Frank Lynn O'Neal, Finis W. Pinkerton, Marvin Lee Wilkins, all of Tyler. Also Kenneth Leonard Lowry, Flint; Bob Loren Thompson and Billy Arthur Watson, Lindale.

Evening college business administration majors are:

Leon Thomas Abbott, Jack D. Chelf, Nichols Claude Geddie, Jr., Jack G. Harris, Joe Travis Humphries, Welborn Ray Massey, William M. McCartney, Cletus E. Roberts, Edward Eugene Specht, Ronald D. Taylor, all of Tyler.

Other evening school students are William E. Waskom, accountant; Noble Sidney Haynes, business; John E. Hogan and Bobby Jack McClain, associate in science, all of Tyler.

Officially no figures have been tabulated for grades of veterans attending TJC, but general opinion of instructors seem to be high toward veterans' attitudes and scholastic standings.

"Veterans make good college students," instructors have said.

Enrollment Shows Large Increase Over Last Year

Registration figures show a total enrollment of 1074 in day classes, an overall increase of an approximate 12 per cent over last year, announced Dr. H. E. Jenkins, president.

Breakdown of figures show 628 whites in day classes, exclusive of distributive education, extension, agriculture, shop, trade, and industry classes, records show.

Of the 628. 442 are freshmen, 25 are special music students, and 6 are doing post-graduate work.

Enrollment figures for evening school are still incomplete, said Irving L. Friedman, director of Evening school, since classes are still being formed.

Last year's enrollment for day classes was 961. This year's increase is due largely to an increase in high school graduates in the Tyler area, said Dr. Jenkins.

Evening school enrollment is also expected to show an increase over last year, Mr. Friedman said. Evening college enrollment last year totaled 412 for the first semester.

Generally, the academic courses have registered the greatest increase, and also the two-year nurses' training course and classes in the metal trades, said Dr. Jenkins.

Decreased registration has been noted in agricultral courses. Today there are 16 enrolled in extension agriculture as compared with 47 last year. This is attributed to a decline in the students taking advantage of the veteran's training program.

The one-year vocational nursing course and the two-year nurse technician course also showed decreased enrollment.

Jenkins Makes Inspection Of Lees-McRae College

Dr. H. E. Jenkins, president, was in North Carolina last week inspecting the Lees-McRae Junior College of Banner Elk for the Southern Association of Colleges.

Dr. Jenkins has served several years on the accrediting committee of the Southern Association. Purpose of the committee is to examine colleges and to determine whether they measure up to the minimum standards of the association for membership.

Dr. Jenkins represents some 650 junior colleges on the national commission composed of outstanding leaders in universities, colleges, and junior colleges.

Clements, Harris Elected Atta Kula Kula Co-Prexies

Mary Clements and Cecelia Harris were chosen co-presidents of the Atta Kula Kula, an organization of all the girls attending Tyler Junior College.

Business School Has 100 Students

Increased enrollment has resulted in one of the biggest business schools in TJC history with an approximate 100 enrolled in secretarial, stenographic, and general office classes, announced Miss Johnnie Armstrong, instructor in secretarial training.

Courses included are accounting, business math, office machines, shorthand, business correspondence and secretarial work plus on-the-job training.

Business math and special accounting classes are offered those interested in bookkeeping. The classes in business machines offer training on four types of machines. Two machines are taught during a semester. Included in the machines are the Ten Key adding machine, Full Key, Comptometer, and the Rotary Calculator.

Shorthand is the backbone subject for business courses. Classes range from the beginning classes to the two-year classes. Typing is also a required subject for the full training program. It too advances from the beginners to the two-year classes.

On-the-job training in shorthand, typing, and mimeograph is provided by instructors who have letters, tests, and other assignments to be typed.

The secretarial training class includes learning the filing systems, methods of duplicating with stencils, legal matters in offices, the use of the mimeograph machine, and the dictaphone. Knowledge of these principles enables students to enter into any type of office with an understanding of the management and system.

The model office is the latest addition to the business department. Secretarial students spend one hour a week in the office while shorthand students spend four hours a week. The dictaphone is used for later experience in different jobs and students take dictation from various members of the faculty. Students also learn to speak over the phone that is provided for their use in the office.

Jesse G. Edwards, director of the business department has a faculty of four efficient instructors including Miss Johnnie Armstrong, Mesdames Louise Clinkscales, Frances Flaherty, and Etta Spivey.

Sincerely Yours

That the Pow Wow, official newspaper of Tyler Junior College, is a publication free to every student is a fact not generally known, especially among the freshmen.

In order that TJC students may be better informed on current events, the journalism class publishes a paper every other Thursday, free to every student who paid a student activity fee.

As has been the policy for some time, the Pow Wow will again offer a special "Letters to the Editor" service for the students. If you have worthwhile views on some controversial issue or if you just have a "gripe," put it in writing and bring it to the journalism lab.

If, in our opinion, your material is considered newsworthy, it will be printed along with your name or your initials according to your preference.

For obvious reasons the paper cannot accept unsigned letters. If the student firmly believes in what he is writing, he will not hesitate to sign his name.

LIBRARY NEWS

Two New Library Books Depict Humor, Adventure

Two new books in the Tyler Junior College Library are IT ALL STARTED WITH COLUMBUS, by Richard Armour, and FREEDOM'S WAY, by Theodora McCormick.

IT ALL STARTED WITH COLUMBUS is an amusing and clever history of America, distorted by Richard Armour, the Scripps College English professor who is famous for his witty pieces which have appeared in many magazines, including Saturday Evening Post.

The humorous note is struck at the beginning of the book with the author's acknowledgment to C. Columbus, Capt. John Smith, and others who made this book possible

Beginning with Columbus, who "founded" America, continuing through the arrival of the Pilgrims, past the American Revolution, the Civil War, and Theodore Roosevelt to the United Nations, this book is filled with juggled facts and rearranged dates to delight the reader.

In discussing captains of industry Mr. Armour remarks, "Rockefeller made his money in oil, which he discovered at the bottom of wells. Oil was crude in those days, but so was Rockefeller. Now both are considered quite refined."

Of the telephone he writes, "The telephone was invented by Alexander Graham Bell, after whom the telephone bell is named. Outgrowths of the telephone include the telephone booth, in which one has the choice of light or air, and the telephone book, a large volume that permits almost everyone to see his name in print."

If you would like to read an amusing book, read IT ALL STARTED WITH COLUMBUS, which we guarantee will make history interesting for you.

FREEDOM'S WAY, written by Theodora McCormick, is the well-written story of a young Court lady condemned to slavery in the American colonies before the Revolution who after her escape impersonated Caroline Matilda, queen of Denmark. Miss McCormick is also known as the author of many mystery novels published under her married name of DuBois.

Carolina Matilda Carey at eighteen had been sent from the glitter of George III's court with the iron collar of a convict around her neck to Maryland. She had been accused of stealing the queen's jewels, arrested, and sentenced to the gallows. Through friends her sentence was reduced to being a convict indentured servant in America. She was bought by a Maryland planter, but later escaped and lived an exciting life.

Looking At Life

By CHARLES MOORE

Let's look at life. The author of the Epistle James says that life is but a vapour that appears for awhile and vanishes. That is a way of saying that life gets away from us before we realize it. We are here and we are gone. We must make the best of today for there is no tomorrow.

But a definition of life is not nearly so important as our attitude toward it—the way we look at it. The wrong attitude toward living is the cause of unhappiness. Yet it is such a joy to live when life has a purpose. We can greet each day with a song if we have a purpose.

No one denies the fact that devotion to a cause brings out the best in a man. The greater the cause, the greater the man. Above the cause stands its leader.

The greatest Man who ever lived was Jesus of Nazareth. Read the history of His life. His life has a purpose. Your highest capabilities can be reached; life's sublime joy can be found.

Let's look at it this way. Be reasonable and sensible in your look at life. We live but once. We do not know how long. Life can be fine and beautiful or worthless and wasted. The choice is ours. One day we shall find ourselves old and worn by much living. When that time comes we shall find ourselves living in the past. Will they be pleasant memories or painful ones? What we decide about life in our youth will determine that. It is not so much philosophy as it is good sense.

THE POW POW

The Pow Wow, official newspaper of Tyler Junior College, is published every other Thursday, except during holidays and examinations, by the journalism class.

The views presented are those of the staff and do not necessarily reflect administration policies of the college. Signed articles are the views of the writer, not necessarily of the Pow Wow Staff.

Letters to the editor must be signed, though initials are used if the writer requests them.

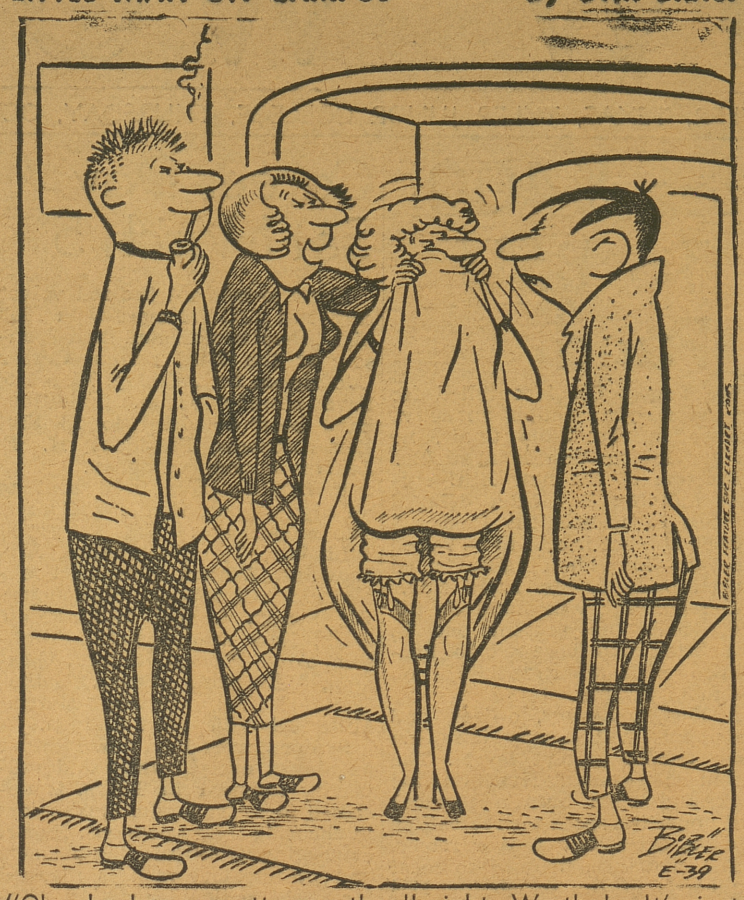
LITTLE MAN ON CAMPUS by Dick Bibler



"Oh, she has a pretty mouth all right, Worthal—It's just that most freshman girls are a little bashful on blind dates."

THEATRE NEWS

'THE SUN SHINES BRIGHT' MOVIE OF MIXED EMOTIONS

Another great motion picture bearing the directorial signature of John Ford comes to the Liberty Theatre, to be shown Sunday and Monday, Oct. 11-12, when Republic's "The Sun Shines Bright," Ford's worthy successor to "The Quiet Man," opens its local engagement.

Featuring an all-star cast headed by Charles Winninger, Arleen Whelan, John Russell and Stepin Fetchit, the four-time Academy Award winner for directorial excellence again brings to the screen a motion picture triumph which is certain to bring new laurels to Ford and all those connected with the production.

"The Sun Shines Bright" is based on Irvin S. Cobb's famous short stories in which the lovable Judge Priest makes his kindly, but courageous way through an American town rife with mob violence and bigotry right after the turn of the century.

"The Sun Shines Bright" is heralded as a constant cinematic tug-of-war between laughter and tears with the directorial master, Ford, pulling the strings for such notable players as Russell Simpson, Ludwig Stossel, Francis Ford, Paul Hurst, Mitchell Lewis, Grant Withers, Dorothy Jordan, Eve March, Slim Pickens, Clarence Muse and a host of additional outstanding actors.

Lettertorial

Hart Suggests Paper Emphasize Music

To the Pow Wow:

Although the Pow Wow covers most of the news events at TJC very successfully, there is perhaps one field of interest to a great many people that could be covered more efficiently. That is the music field.

I am sure that you are fully aware that the TJC choir and the band do a great many things during the year. In fact, I believe they do enough that a special column could be devoted entirely to them. Possibly in such a column the other phases of music at TJC could be included.

Please give this some consideration.

(Signed) Frances Hart

Yetman Guest Of Journalism Class

Stressing the necessity for research beyond the straight news angle for yesterday's sports story in today's news, Leo Yetman, Tyler Morning Telegraph and Courier-Times sports reporter, showed Journalism 213 student how to look for a feature angle.

Apaches Seek Win Over Vikings

The TJC Black and Gold Apaches left for Corpus Christi by bus this morning to clash with the Vikings of Del Mar JC in a Saturday night contest. Game time is 8:00 p.m.

The TJC gridders are tentatively slated to spend Thursday night in Victoria to watch the Victoria JC and Houston Frosh game. They will leave for Corpus Christi Friday morning and have light limbering up exercises Friday afternoon.

The power-laden Apaches will be laying on the line their record of four wins against no defeats, and seeking victory number five at the expense of the Vikings.

Coaches Floyd Wagstaff and Babe Hallmark have had the Apaches working hard this week with Monday and Tuesday being used to iron out the few mistakes the Apaches made last week-end against SMU junior varsity. Wednesday was used to polish up the Tribe's extra point kicking and to plan an effective defense against Del Mar.

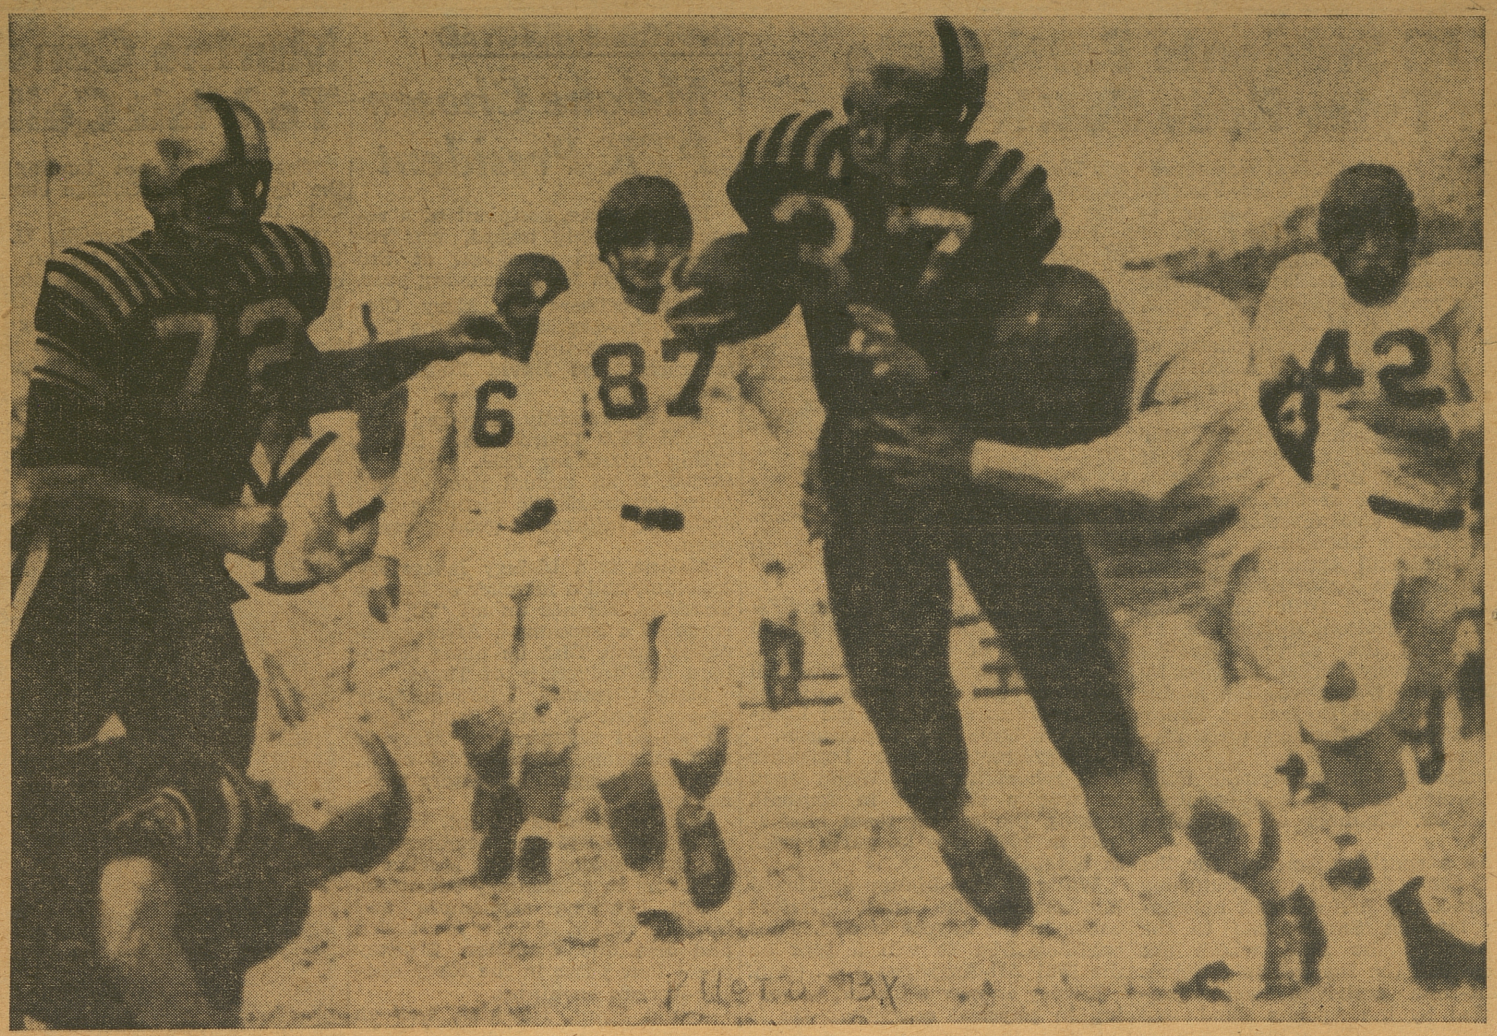
The Apaches will be going extra strong in this encounter to avenge last year's defeat at the hands of the Vikings, when Del Mar's Freeland Thornton ran a punt return back some sixty yards to upset TJC in the fading minutes of the game.

"To beat the Vikings, the Apaches are going to have to work hard and to be in top mental condition," commented Coach Wagstaff.

For the Apaches' starting team it will be Ernest Winfrey at left end, who has been a pass catcher deluxe this year. David Lunceford at left tackle, a seasoned veteran; Nevil Spiers at left guard, one of the most dependable players.

At the pivot spot will be the hustling freshman from Tyler High, Mickey Koonce; Don Barker at right end, a new comer to TJC. Bill Herchman, at right tackle, an all American Jaycee selection last year, and Charlie Dees at right guard, a transfer from Hines JC.

In the backfield for the Apaches will be Jimmy Dickey, a triple threat quarterback; Mack Pogue at left half, hard running back from last year's team; L. T. Mobbs at right half, who was a standout last season as a defensive halfback, and in the fullback slot will be Billy Joe Medlen a transfer from Oklahoma A&M.



DICKEY DRIVES—Jimmy Dickey, TJC fleet-footed quarterback, drives for extra yardage against the SMU JV in a thrill packed Rose Festival game played Saturday, Oct. 3, in which the Apaches won 33-7. Shown blocking for Dickey is Ernest Winfrey on the ground. In the background is Bill Herchman, No. 72 and coming in fast behind Dickey is Johnny Crawford of SMU, No. 42 and Earl Johnson, No. 87. The SMU player making the tackle on Dickey is unidentified.

Scoreboard Predictions

By ERNEST REECE

The football season is rolling along at full steam now, with quite a few of the favorite teams being knocked out of the undefeated ranks, and this Saturday will be no exception as the upsets continue.

In the Southwest conference it is hard to pick the winners as everyone knows the underdogs seem to manage sometime during the season to knock the leading team of its throne.

Baylor to win over Arkansas. The Porkers don't have the manpower to stop Dupre and company, and Rice to smother the Hardin-Simmon's Cowboys.

In the game of the day, where anything can happen, the mighty Oklahoma Sooners will down the Longhorns from the University of Texas and Friday night will see Coach Chalmer Woodard's SMU Mustangs take a close one from Missouri.

The TCU Hornfrogs will taste defeat for the second time in two weeks by being romped over by the Spartans from Michigan State and Texas A&M will be a little too much for the Texas Tech Red Raiders. The Aggies are the surprise team of the Southwest conference.

In the East:

The Black Nights on the Hudson to wallop the Darmouth Indians. The Cadets are still improving, Houston University to win its first conference game from Detroit. The Cougars are hoping mad after last week's defeat at the hands of UT.

Princeton to continue its rule of the roost in the Ivy League by walking over Rutgers. The passing and running of Homer Smith and Royce Flippin are too much for the Queensmen.

In other games, Navy over Cornell, Yale to whitewash Columbia and Ohio State to push closer to the Rose Bowl by downing Illinois.

Lehigh to beat Buffalo and Holy Cross to squeeze by Bucknell.

In the South:

Florida to win over Steston. The Gators will be blasting away after last week's loss at the hands of Kentucky. Alabama to handle Tulsa. The Golden Hurricanes don't have the power of teams past, and LSU to add another victory in their records against Kentucky.

Maryland to slip past Georgia and to keep its undefeated season intact. Mississippi to win over Vanderbilt, and in a thriller Wake Forest to lower the boom on N. Carolina. Tennessee to defeat Chattanooga. The Vols should find this an easy game.

In the Midwest:

The Michigan Wolverines to unleash a blaze of power to down Iowa. Oklahoma A&M to trounce Wichita after their set back last week-end. The Duke Blue Devils to upset Perdue. The Boilermakers will still be recovering from their encounter with Notre Dame, and in a toss up Kansas to east by Colorado.

Record to date: 17 wins, 7 loses, 3 ties; percentage .629.

JOE JACOBS

YANKEE

CHARLIE DEES

REBEL

TJC Gridsters Represent Cross Section Of USA

Joe Jacobs, Apache halfback from Hudson, Mass., is in Coach Wagstaff's opinion a promising athlete.

"He is a good football player, has a good attitude, and I am well pleased with him," commented Wagstaff. Joe is the second player to enter TJC from Hudson, Mass.

Joe played four years of football in high school and lettered two years. In addition to football, he also participated in hockey and baseball while in high school.

After graduating from high school Joe entered Lenoir-Rhyne College at Hickory, N. C., a four-year school. As a result, he has one year of college ball under his belt.

Joe is 23 years old, likes horseback riding as a hobby and TJC as a school.

In Joe's words, "I think TJC is a friendly school and one of the nicest places that I have been."

Charlie Dees, 245 pound Apache guard, sometimes referred to as "Tiny" is another new addition to TJC who calls Tampa, Fla., his home.

He has been a starter in every game the Apaches have played this year, and is exceptionally fast. Too, Dees has had to overcome the handicap of playing "The single platoon system," since he had never played anything but defensive ball.

Dees came to Apacheland as a "sleeper" and in Coach Wagstaff's opinion "is one of the best ball players that ever just 'dropped in'."

He is 21 years old, attended high school in Plant City, Fla., where he lettered four years in football.

After leaving high school Dees went to Hines JC at Hines, Miss., where he lettered as a defensive guard.

When asked what he thought of TJC Charlie said "I like the school very much and think the students are very friendly."

TJC Football Schedule

Saturday September, 12—Henderson County JC, We, 62—They 6.

*Saturday, September 19, Eastern Arizona; Thatcher, Arizona: We, 42; They 7.

Saturday, September 26, Graceland JC (Iowa): We 54; They, 6.

This week's game:

*Saturday, October 10. Del Mar JC-Corpus Christi.

*Indicates out of town games.

Trial Period Begun For Library Night Schedule

The TJC library will be open every Tuesday and Wednesday night during October from 7 until 9. All students are invited to take advantage of this trial arrangement.

"It is hoped that students and athletes living in the dormitory will take particular advantage of this time to study," said Mrs. Johnnye Kennedy, librarian.

The night schedule is only temporary, said Mrs. Kennedy. Its permanence depends on the number of students that use the library during this time. If the number warrants, the library will continue to be open Tuesday and Wednesday nights for the remainder of the semester.

Counseling Program Begins For Freshman

A two-weeks period, Oct. 12-23, has been assigned for freshman counseling, announced E. M. Potter, dean, today.

The counseling program is based on the results of the battery of tests taken earlier in the year. Each freshman will be assigned to a faculty counselor with whom he will discuss results of the tests, said Mr. Potter.

TJC Students Participate In Tyler Rose Festival

Tyler Junior College was represented in the Tyler Rose Festival from direction and theme to members of the queen's court.

Mrs. Mildred Stringer, director of the Apache Belles was script writer and she selected the theme, "The Festival of Fantasy". The theme was used in all phases of the Rose Festival, the coronation, the parade floats and the Rose Show.

For the fourth consecutive year Alfred Gilliam, choreographer of the Apache Belles, was professional director of the coronation. Gilliam is also director of the Tyler Civic Theatre.

The colorful Apache Belles and Band led the Texas Rose Festival Parade for the fifth consecutive year. Sue Nelson, official Miss Tyler, led the snappy Apache Band. Beverly Birkel, assisted by Mary Ann Ward, was the leader of the Apache Belles. Jet Droby and Velda Williamson were majorettes.

Delphine Gibson, Apache Belle majorette, rode on the beautiful Tyler Jr. Chamber of Commerce float.

As a special attraction for the TJC-SMU football fans Saturday afternoon, a Bell Aircraft helicopter brought Sue Nelson to the center of the field where she presented the football to officials. Half-time activities were presented by the Apache Band and Belles. The military drill was the feature number of the Belles.

Two former TJC students, Margie Wallace and Jeane House, were in the coronation of Queen Sally Kay on Thursday night.

Margie of Dallas was Duchess of East Texas. She was a past president of San Souci Sorority and an Apache Belle. Jean was Duchess of the Tyler Rose Growers. She was an Apache Belle and a member of San Souci Sorority.

Linney, Former Apache, Stars For Lumberjacks

Johnny Linney, former Apache quarterback, now attending SFA, is one of the most valuable players on the Lumberjack team.

In a recent game between SFA and Texas A&I, Johnny played 60 minutes of the game.

Linney's passing ability and ball handling has been one of the major offensive threats the Lumberjacks have had this season.

He graduated from Longview high school in 1950. While there he was a standout in football, making the second team all-district in 1950, also he participated in baseball.

While at TJC Linney developed into one of the finest quarterbacks in the Jaycee circles. Thus enabling him to win a spot on the 1951 All-American J. C. team.

Linney is now a senior, majoring in physical education. He is married to the former Beverly Snider of Longview and they have one son, John, Jr.

OFFICERS ELECTED

Malone Chosen PTK President

Billy Malone, recipient of a recent scholarship award, was recently elected president of Phi Theta Kappa for the coming year.

Other officers are Mary Clements, vice-president; Martha Clements, secretary; Bill Stuckey, treasurer; and David Point, repoter.

Malone recently received the annual $100 Laura Greer Scholarship award for 1953. The cash award is an annual presentation based on scholastic standing and sustained interest in good government.

Malone is a biology laboratory assistant, and a member of Future Teachers. He has an all "A" average as a Freshman. After graduation from TJC, he plans to attend the University of Texas.

Mary Clements, Whitehouse, is co-president of Atta Kula Kula, an all-girl organization. Mary is also secretary of the TJC choir. She is majoring in laboratory technology.

Martha Clements, Flint, is secretary of AKK and secretary of Baptist Student Union. Martha is majoring in elementary education.

Bill Stuckey, sophomore and business major, of Tyler is married and has one daughter. Stuckey spent four years in the Navy during Korean hostilities.

David Point, Hawkins, was an Apache Band member last year, and a member of the Engineers Club this year.

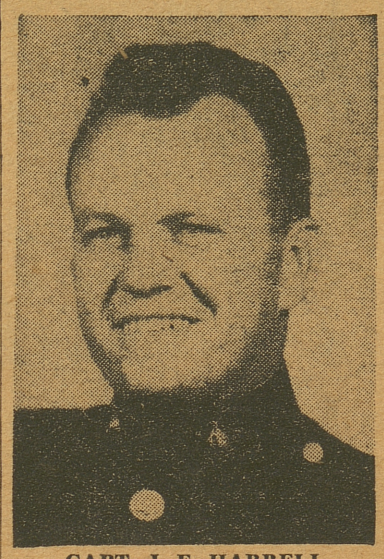
Marine Candidate Officer To Visit College Campus

The Marines are landing on the Tyler Junior College campus Oct. 15 and 16.

Captain J. E. Harrell, U. S. Marine Corps will be on the campus to interview students for the U. S. Marine Corps Officer Candidate programs. During his stay on the campus, Captain Harrell will maintain a booth in the Student Union Building.

"This is your opportunity to serve as an officer with the famed Leathernecks", explained Captain Harrell.

TJC students can now enroll in the Platoon Leaders Class of the Marine Corps. To enroll in the Platoon Leaders Class, a student must be at least 17 years of age, and less than 26 on July 1 of the year in which he expects to receive his degree. He must be a citizen of the U. S., in good physical condition, and in good standing with the college. Enrollment in the Platoon Leaders Class gives the freshmen, sophomore, or junior a 1-D draft status. An undergraduate can then complete his education prior to active duty as a Second Lieutenant.



CAPT. J. E. HARRELL

Members of the Platoon Leaders Class attend two summer training periods of six weeks each, and receive commissions upon graduation from college. After graduation, the newly commissioned Second Lieutenants will attend five months of specialized officer training at Quantico, Va.

Students interested in these programs are advised to contact Captain Harrell, during his visit or write to his office located in the Terminal Annex Building, Room 518, Dallas.

Acceptance Dinner Fetes 22 Sans Souci Pledges

Twenty-two Sans Souci pledges received their traditional yellow bows at the formal acceptance dinner at El Charro's Friday, Sept. 25.

Pledges present were Pat Stamps, Janis Hargrove, Annette Caldwell, Gwen Pietzch, Doreva Bradley, Sherry Durrett, Charlotte Ormon, Mary Ann Ward, Shirley Scoggins, Christine Korkmas, Claudette Thomas, Laura Bess Knight, Shirley Brule, Nancy Duckett, Pat McBride, and Pat Kidd, all of Tyler.

Also Patsy Reichert, of Wichita Falls, Sandra Evans, Troup, Toni Powers and Jeanie Wallace, Dallas, Jet Droby and Dolores Neal, Palestine.

Mary Lee Doggett, Souci president, gave the welcoming address. Delphine Gibson, Pledge Mistress, instructed the pledges on rules and customs to be observed during the six weeks of pledging.

At 10 p.m. members and pledges attended a slumber party at Smith Memorial.

Members attending the party were Mary Lee Doggett, Chloe Mankin, Barbara Lewis, Wanda Boyd, Bitsy Mitchell, Jessie Clark, Delphine Gibson, and Roland Head.

Ex-Souris also present were Alice Riviere, Shirley Zwan, Sonia Yazbeck, Dolores Eltife, and Carolyn Jo White.

No entry blanks!
No box tops!

You can cash in again and again!
C'mon, let's go!

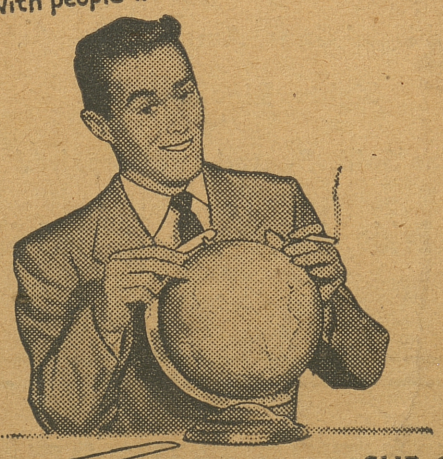
TWICE AS MANY AWARDS THIS YEAR

MAKE $25!

WRITE A LUCKY STRIKE JINGLE

based on the fact that LUCKIES TASTE BETTER!*

From well-known towns to parts unknown,
Most any place you go—
It's Lucky Strike for better taste
With people in the know!



Easiest $25 you ever made. Sit right down and write a 4-line jingle based on the fact that *Luckies taste better.* That's all there is to it. More awards than ever before!

Read the jingles on this page. Write original ones just like them—or better! Write as many as you want. There's no limit to the number of awards you can receive. If we pick one of your jingles, we'll pay you $25 for the right to use it, together with your name, in Lucky Strike advertising.

Remember: Read all the rules and tips carefully. To be on the safe side, clip them out and keep them handy. Act now. Get started today.

My meals, folks say, are flavorful—
They're seasoned perfectly.
For better taste, it's Luckies, though,
That win the cheers—not me!

CLIP OUT THIS INFORMATION

RULES

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies taste better," is only one. (See "Tips.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to receive more than one $25 award.

*TIPS

To earn an award you are *not* limited to "Luckies taste better." Use any other sales points on Lucky Strike, such as the following:

L.S./M.F.T.
Lucky Strike Means Fine Tobacco
Luckies taste cleaner, fresher, smoother
So round, so firm, so fully packed
So free and easy on the draw
Be Happy—Go Lucky
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment
